BANG & OLUFSEN

BeoVision Avant

The TV that moves

Unfolding sound

BeoVison Avant is a celebration of movement. An unforgettable fusion of Ultra High-Definition (4K) picture and iconic Bang & Olufsen sound, that unfolds before your very eyes.

Redefining TV sound

Precision tuned to Bang & Olufsen's most exacting standard, BeoVision Avant redefines the audio impact a TV can deliver. The 3-channel speaker system harnesses three dedicated tweeters, three midrange units and two powerful bass drivers. The result is a fusion of clarity and power that truly embodies Bang & Olufsen's commitment to ultimate sound.

Contrasted imagery

BeoVision Avant combines local dimming across more than 8 million pixels, bringing out the tiniest details in the action. Experience the most extreme sports or action footage with crystal sharp, dynamic precision.
